LIVE KNOXVILLE PERFORMANCE, Thursday, Nov. 16, 2017

Kabilé takes their name from the village of the same name in central Bulgaria, where the band played one of their earliest gigs. During their initial ten-year heyday the band played almost every weekend at weddings, festivals and holiday events all over Thrace. In 2007 the band reunited for their first North American tour. They have since become widely known for their *bitov* (traditional) style and highly-enjoyable melodies. Kabilé's members are all life-long, professionally-trained musicians with decades of teaching and performing experience.
